

DC 2060

Double-sided bliss.

Double-sided copying made simple: even double-sided copy jobs are child's play since the DC 2060 boasts the latest Duplex scanning technology, reading both sides simultaneously. Thanks to its speed and the efficient Duplex print and copy function, this office expert proudly achieves almost 90% of the Simplex copy speed. That means: double the productivity with half as much paper!

This is what we call carefree copying.

With the DC 2060, everything is comfortably taken care of! Thanks to its generous document feeder, even copy jobs with up to 200 originals are accommodated with ease. Plus, since the originals are fed in automatically, you won't need to wait around. With a standard paper capacity of 4,100 sheets, expandable to a vast 8,100 sheets, the DC 2060 makes light work of the most demanding of copy jobs.

	Technical data
	General
Type	Console unit
Function	Copying, optional: printing, scanning
Printing technology	Laser b/w
Original format	max A3 on the platen glass
Original feeder	200 sheet duplex scan feed
Copy/print speed	max 60 A4 pages/min / 31 A3 pages/min
1st copy/warm-up time	3.6 seconds*/30 seconds
Copy resolution	600 x 600 dpi (1,800 x 600 dpi interpolated)
Greyscales	256
Paper feed	2 x 500 sheet universal cassette (A3-A5R), 2 x 1,500 sheet large capacity cassette (A4), 100 sheet multi-bypass (A3-A6R)
Paper weights	Universal cassette 60-160 g/m ² , Multi-Bypass 60-200 g/m ² , Duplex 60-105 g/m ²
Paper output	250 sheet A4
Copy memory	128 MB, 40 GB HDD
Continuous copying	1-9,999 copies
Zoom	25%-400% in steps of 1%
Functions	Moveable touch screen, 1,000 management codes, electronic sorting, brochure function, EcoPrint-mode, proof mode, overlay function, etc.
	Dimensions/weight
Dimensions	1,185 x 680 x 783 (W x D x H)
Weight	approx. 195 kg
	Environment
Mains voltage	220/240V, 50/60 Hz
Power consumption	approx. 1,468 W in operation, approx. 412 W in stand-by mode, approx. 26 W in sleep mode, approx. 10 W in off mode
Noise level	approx. 75 dB(A) in operation, approx. 58 dB(A) in stand-by mode
Certifications	GS/TUV, CE, Energy Star

	Optional printing system (V)
Type	Can be integrated within the system
Print format	A3-A6R, min 70 x 147 mm, max 297 x 432 mm
Print speed	max 60 A4 pages/min
Print resolution	600 x 600 dpi (1,200 dpi interpolated)
Processor	PowerPC 750/600 MHz
Print memory	64 MB (expandable to 576 MB), 2 slots
Interface	IEEE 1284 parallel, USB 2.0, 10/100BaseTX
Network protocols	TCP/IP, IPX/SPX, Net BEUI, EtherTalk
Operating systems	Windows 2000, XP, Server 2003, Novell NetWare, Linux, Mac ex OS 9.2
Emulations	PCL6, KPD L 3 (PostScript 3 compatible), PRESCRIBE IIe, Line Printer, Diablo 630, KCGL, IBM Proprinter X24E, Epson LQ-850
Functions	Direct PDF printing, printing of e-mails
	Optional scanner system (G)
Scan type	CCD b/w
Scan format	max A3
Scan speed	max 80 A4 originals/min
Scan resolution	200 dpi, 300 dpi, 400 dpi, 600 dpi
Scan mode	Photo, text, photo/text, OCR
File types	TIFF, PDF
Interface	10/100BaseTX
Network protocol	TCP/IP
Operating system	Windows 2000, XP
Software	Scanner File Utility, address book, address book editor, Paper Port (OEM version)
Functions	Scan to PC (100 recipients), scan to e-mail (100 recipients), TWAIN, 40 return addresses, SMTP authentication
	Options
Finisher	DF-650 (3,000 sheet A4 capacity, 4 stapling positions max 50 sheet A4), PH-4C hole punch unit, BF-1 brochure folding module, MT-1 multi tray (5 trays)
Paper feed	PF-650 4,000 sheet large capacity cassette
Other options	Data security kit (B), HD-10 hard disk for printing system (for full usage of the e-MPS functions)

The DC 2060 is manufactured in accordance with the requirements of the ENERGY STAR Program.

DC 2060

DC 2060

Digital copier system

The DC 2060 – enhanced capacity equals express copying!

The ideal member of your office team for those large-scale copy jobs. The redesigned DC 2060 is a top-performer, boasting record-breaking copy speeds of 60 pages per minute. Wherever reliability, efficiency and optimal productivity are required, from large reprographics departments to the smaller independent copy shops, this digital copier can whiz through even the largest of copy jobs in an instant. This innovator automatically delivers double-sided copying, without the need to turn over the original in the process. Whether network printing, scanning or creating a brochure: the DC 2060 boasts numerous advanced features, making it the right addition to your office team.

You will benefit greatly with the time-savings.

The DC 2060 is setting the pace, delivering 60 top-quality copies per minute from the moment you turn it on. After a mere 30-second warm-up, the DC 2060 is ready to go, saving you precious time throughout the working day. This speedy copier system is just as impressive when it comes to the first page, after a mere 3.6 seconds the first copy is in your hands, allowing you to get on with more important tasks!

Digital expertise in everyday office life.

A multitude of well-designed functions turns the DC 2060 into a fully qualified paper output manager. With its job allocation for optimal workflow, administration of up to 1,000 management codes, its Scan Once - Copy Many function and electronic sorting, the DC 2060 is programmed to enhance your office routine.

A question of flexibility.

Good design takes everything into account. First and foremost, the user has to be in control of the technology and not vice versa. This is guaranteed with the DC 2060. After placing the original on the platen glass, the document feeder will be raised to a 30° angle, providing you with extremely comfortable access at a maximum height of 1.32 m. In addition, the DC 2060's control panel can be easily folded down, ensuring that everyone has comfortable access to all functions – irrespective of height or posture – including wheelchair users.

Consistently designed for the future.

Designed for cost efficiency, right from the start: by specifically using "long-life" components such as the amorphous silicon drum, the DC 2060 is a champion when it comes to reliability and efficiency. This robust office professional excels when it comes to the environment, since no hazardous materials are used in its construction. Its single component system also ensures that you'll never need to change the developer.

DC 2060

Multi-functionality when you need it.

With the optional printing system, the DC 2060 delivers an impressive performance when used as a network printer. With 60 prints per minute and all in pinpoint sharpness of up to 1,200 dpi, the rapid PowerPC-CPU with its 600 MHz processor and a spacious memory makes light work of any task. When desired, the DC 2060, with its optional scanner system, can be transformed into a real multi-functional system, digitalising your documents with a lightning speed of up to 80 pages per minute. And the functions "scan to e-mail" and "scan to PC" ensure seamless dataflow in your network.

Let someone else do the work for you.

The DC 2060 effortlessly takes on all your routine tasks whatever they might be, from hole punching and folding to stapling. Plus with its optional 3,000 sheet finisher and its modular finisher options, the DC 2060 can produce professional brochures in no time. Thanks to its optional multi-tray system, this copy champion ensures organisational efficiency, filtering the different documents from many sources into specifically assigned output-trays. Thanks to the DC 2060 your documents will never be in a muddle again!
