The DC 2216 – active support in your office!

If you'd like to digitally manage the workflow of your documents, the DC 2216 is the perfect partner for you! With a wide range of functions and incredibly flexible upgrade options, this compact copy system has everything you'll need to quickly and easily bring your office into the hassle-free world of digital copying.

Quick and reliable the DC 2216 makes sixteen A4 and eight A3 copies per minute in pin sharp 600 dpi quality. From the Scan Once – Copy Many function, to establishing cost centres, the DC 2216 is always ready to help you out with its numerous practical digital functions, thanks to the generous 32 MB memory, (upgradable to 160 MB). This office professional can even sort multi-page A4 and A4R documents into individual sets with a convenient offset, and with an optional second paper cassette; documents with up to 600 pages are easily accommodated! The DC 2216's control panel is clearly laid out and user friendly, so you are always in control of its numerous functions.

Equipped with an optional print system, the DC 2216 also handles the printing requirements of your team. The paper manager will look after all of your needs, even being able to print to postcard size A6R format. Upgrade options such as document feed and duplex unit make the DC 2216 extremely adaptable – customise it any way you like, this machine meets all of your individual needs!
