**Make your working day multifunctional -  
application to become an Office Assistant**

Dear Sir/Madam,

Please let me introduce myself: I am a multi-talented individual that likes to take on all the jobs that demand top quality and optimal results combined with speed. Printing, copying, scanning and faxing – you can place your confidence in the versatility of a single system. Not only that, but I am compact, too, my measurements speak for themselves.

In addition, I have one very clear benefit: my simplicity. I integrate effortlessly into your office environment and together with your PC I create the perfect team for a multitude of tasks.

If you place emphasis on space-saving versatility then I am the one for the job.

Best regards,
